

NEWS RELEASE
March 4, 2014
FOR IMMEDIATE RELEASE

TO: ALL CUSTOMERS & PRESS

SUBJECT: NEW WWW.ISUZUENGINES.COM SITE

PLYMOUTH, MI – Isuzu Motors America, LLC PowerTrain Division (ISZAPT) is pleased to announce a newly refreshed www.isuzuengines.com website effective immediately. This website has a new look and feel to it conducive to the many mobile devices and advanced technologies utilized to view online content today. Highlights are as follows:

- Responsive design
- Ease of navigation throughout
- Improved location searches by both zip and postal codes within “Distributor Network”

Additionally, we have added a new product category, Reman, to the Isuzu product lineup.

Take a moment to review the new site layout, design, and Reman section at www.isuzuengines.com. Any questions/concerns can be directed to the “Contact” link.

Isuzu is a leading technological innovator globally within the diesel engine market. The company’s diverse product portfolio encompasses such leading products as industrial diesel engines for on- and off-road use, marine, commercial vehicles, sport utility vehicles, and pickup trucks. Further information on Isuzu can be found on the company’s web sites at www.isuzuengines.com, www.isuzumarine.co.jp, www.isuzucv.com, www.isuzu.com, and www.isuzu.co.jp.
